GILLARD'S
SHEEP DIP
NON-POISONOUS
PREVENTS AND CURES SCAB

This Dip is most carefully prepared by the
latest improved methods and can be used with
COLD WATER
Supplied to the Prince of
Wales's Farm at
SANDRINGHAM
TESTIMONIALS.
From Mr. John J. Mason, Capitán del
Sector, June 29, 1881.—The dip which you
sent me I used according to directions, and I
can assure you that it gave the desired result.
During four years a practical experience of
curing scab in sheep, I have seen many speci-
fics used, but I consider Gillard's the only one
that gives complete satisfaction. It improves
the quality and promotes the growth of the
wool. For efficiency, economy and facility of
application, I prefer it to any dip I have used.
From Mr. James M. Thomas, Estancia
Santa Rosa, Monte, June 29, 1881.—Having
given a good trial to Gillard's Dip, I have
much pleasure in bearing my testimony to its
valuable quality as a Sheep Dip. It destroys
all insect life with which sheep are infested,
mixes readily in cold water, does not injure
the hands, and softens all hard parts. I shall
strongly recommend it whenever an opportu-
nity offers to use the dip, and I should
strongly recommend a good sale.
From Mr. Wm. Polky, Estancia Caro, Co-
lombia, Sept. 29, 1881.—
"I feel great pleasure in informing you
that the sheep dip supplied by you to me
under the name of Gillard's Sheep Dip has
had surprising results on my English long-
wooled rams; it has kept them entirely free
from scab after being twice using it, although
these rams have been constantly running in a
field of scrubby sheep. I intend for the first
time to give it a trial with the whole of my
English breed of sheep on the farm I have
there, as I feel satisfied I shall with that dip
keep scab out of the flock."
From Mr. Estancia La Union, Juncos, Ori-
zabal, and James Murray, Capitan del Sector,
Sept. 16, 1881.—
"I give you great pleasure to inform you
that, after giving a good trial to Gillard's
non-poisonous sheep dip, we can pronounce it
to be the best specific we have used as yet,
and we are fully determined for the future
to use only your remedy."

have to close my letter under the painful impression caused by the sudden demise of a very estimable lady, the wife of Mr. J. O. Rogers, so well known in this country. Mrs Rogers belonged to a distinguished family in San Juan, and has left a numerous circle of friends who appreciated her amiable character and virtues, to mourn her loss.

The situation of Salta gives a graphic account of the French influx. Mr Crevaux, the French expert, got lately. It appears that he and his party reached the house of Tumbuya at 8 p.m.; the light they saw in the place was an almacen belonging to Maximiano Soto. They knocked and asked for a night's lodging.
